

\_\_\_\_\_

is going to

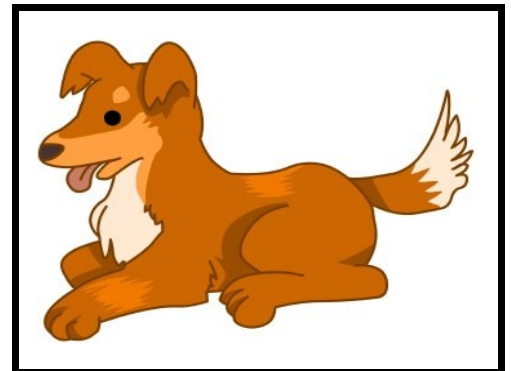

## **Streamvale Open Farm**

on \_\_\_\_\_ at \_\_\_\_\_

and guides are going to show us around.

There's lots to remember - read it all over the page, but here's one new face we want to make sure you all know. Her name is

**Safety Sue** and you will find her in all the places where you have to think about being safe.

Look for her on the web too!

Thank you very much for booking your educational visit to Streamvale Farm this summer. We are looking forward to you coming and hope this letter will cover any queries you might have - if not please give us a ring. Your tour is fully guided and will be part of seven groups touring the farm each morning. We follow a set pattern so that every group gets to experience every area with individual attention. **If you are going to be late or early for the starting time - please ring and let us know - if you can't come, we need 24 hours notice or there will be a cancellation fee of £40 per guide.**
