

The Chicken Run Roadshow

Our first Roadshow to hit the school circuit, this presentation suits both preschool and Key Stage One children.

Fully covering the topic of spring, new life, families, growth and development; the children get a hands on experience of the wonder of spring as you approach the Easter season.

Available mid Feb - Easter

Science Coordinators! Bring a little life to your autumn programme with Streamvale Roadshows

The Streamvale Farm Roadshow has been visiting schools since 2001 with its unique brand of presentation to young children.

Using fun stories and songs, real hands on experience and conversation with the youngsters, our roadshows are able to provide a full morning's activity.

Free teachers' ideas, workbooks and materials means there is plenty of follow up projects to fulfil all your curriculum needs.
